C. The Office of Logistics, Printing & Photography Division (OL/P&PD) is continuing to plan for a contractor operated unclassified satellite printing plant in building [redacted] Last week a P&PD representative met with the [redacted] planning group to discuss the security implications of having uncleared printing contractor personnel working in a secure complex. No conclusions were reached, but it was agreed that P&PD and Office of Security personnel would continue to work on their problem. [redacted]

yes * E. The Office of Logistics, Printing and Photography Division (OL/P&PD) completed the artwork for posters and accessories to accompany the upcoming "Donovan" exhibit. This project was reviewed and approved by the Office of Central Reference, Historical Intelligence Curator (OCR/HIC). [redacted]

No F. Due to the success of the brochure "Training for Intelligence", the Office of Training and Education (OT&E) has requested the production of additional training brochures. A representative of OT&E will meet with the Office of Logistics, Printing and Photography Division (OL/P&PD) to initiate this request. [redacted]

II. Significant Events Anticipated During the Coming Week

no A. On Friday, 30 May 1986, a representative from the Office of Logistics, Printing and Photography Division (OL/P&PD) will be addressing Agency component-level Record Management Officers (RMO) on OL/P&PD's Agency-wide micrographics services. [redacted]

no B. Six composers from the Office of Logistics, Printing and Photography Division (OL/P&PD) will attend the American Newspaper Publisher Association (ANPA) Show in Atlanta, Georgia from 22 June and 25 June 1986 to look at advancements in composition. P&PD is hopeful that
